Location:	Chermside	Unit/Department:	Anaesthesia and Perfusion Services The Prince Charles Hospital
Status:	One permanent full time position and several fixed-term temporary full time and part time positions, up to 12 months, hours negotiable	Classification:	HP2

Our Hospital and Health Service

Delivering outstanding health services is just one of the ways that we care for our community. Our passion for people is reflected in the way we do our work and live our values every day. We value and nurture our team members so that they can provide quality value based care to our patients across our diverse organisation. Our focus on Value Based Healthcare means we expect our staff to deliver the care the patient needs, no more and no less, to achieve the best quality of life for our community. This passion fuels our collaborative culture of innovation and research.

We embrace the diversity of local and greater communities as we provide services to people throughout Queensland, northern New South Wales and the Northern Territory, in all major health specialities including medicine, surgery, mental health, cancer care, trauma, women's and newborn care, and more than 30 sub-specialities. Metro North services include rural, regional and tertiary hospitals, and community and oral health services.

Our diverse Health Service provides a wide variety of rewarding career paths across our tertiary/quaternary referral hospitals, secondary hospitals, community health centres, residential and extended care facilities and regional community hospitals. We expect our staff and volunteers to translate our values into action through providing high quality connected care that is relevant, efficient and respectful of our patients' needs and wishes. Our people are passionate about our community and patients with a focus on putting people first. Come and work where people are at the centre of everything we do and your contribution is truly valued.

About the Role

Context

- This position works under the guidance of the Manager, Anaesthetic Healthcare Practitioner.

Purpose

- Provide professional, client-focussed clinical and technical services within an evidence-based quality and multidisciplinary health care environment, under professional supervision and guidance, dependent upon the level of experience.
- Apply professional judgment in undertaking work within the limitations of scope and objectives of current procedures, standards and guidelines. Contribute to validation or modification of current procedures, standards and guidelines and development of policy.

Key Accountabilities

This successful applicant will carry out the following key accountabilities in accordance with the Metro North values and the corresponding Lominger™ competencies shown above in this role description:

- Follow defined service quality standards, occupational health and safety policies and procedures relating to the work being undertaken to ensure high quality, safe services and workplaces (for all employees).
- Implement and monitor the organisation's quality standards, occupational health and safety policies, procedures and programs and provide clinical governance in the relevant work area (for clinical management).
- Anaesthetic healthcare Practitioners at all levels are required (within the capacity of their functional role) to participate in the activities listed below, management activities and fully participate with a roster providing 24/7 coverage including a variety of shifts including week-end and on-call.

Clinical

You will be required to autonomously manage your assigned area with the guidance of the senior Anaesthetic Healthcare Practitioner and consultant/registrar anaesthetists as required. Anaesthetic Healthcare Practitioners are expected to rotate through all areas where anaesthetic support is delivered and will be conversant with all aspects of anaesthetic support during all stages of the anaesthetic delivery process. This includes but is not exclusive of:

- Assembling, testing and preparation of equipment and supplies required for the delivery of anaesthetic support for the assigned areas.
- Liaise with anaesthetist and other theatre staff with planning of theatre sessions.
- Assist with transportation and positioning of patient dependant on the intended procedure.
- Assist the anaesthetist during all stages of the anaesthetic delivery process.
- Perform various and routine tests (Activated Clotting Time test, Arterial blood Gas, Rotem, Multiplate etc) as required.
- Actively participate in all aspects of patient care throughout the entire anaesthetic experience.

Management

Manage the section you are assigned to, under the guidance of the Senior Anaesthetic Healthcare Practitioner as required. Contribute to the safe, effective and efficient operation of the Anaesthetic Support role by:

- Maintaining professional standards.
- Participating in Quality Improvement and Professional Development programs.
- Participating in the development, review and implementation of departmental policies and procedures.
- Complying with sound HRM practice and principals including Work Health and Safety (WH&S), Equal Employment Opportunity (EEO), and anti-discrimination legislation.

Training and Supervision

- Be responsible for training junior staff in the section they are assigned to. This would be under the guidance of the Senior Anaesthetic Healthcare Practitioner and/or Anaesthetic Healthcare Practitioner Educator.
- Provide the professional check for the work of students and anaesthetic support staff.

- Mentorship and clinical supervision of students and anaesthetic support staff.
- Provide advice to students and anaesthetic support staff regarding approved local departmental procedures.
- Participate in and contribute to educational activities held within the anaesthetic department.
- Participate in and contribute to intra-department orientation and induction programs and activities.

How you will be assessed

How we do things is as important as what we do therefore you will be assessed on your ability to demonstrate the following key technical and behavioural capabilities, knowledge and experience. Within the context of the responsibilities described above under Key Accountabilities, the ideal applicant will be someone who can demonstrate the following:

- **Respect** – demonstrates interpersonal savvy, manages conflict appropriately, communicates effectively and balances the needs of all stakeholders with utmost respect to all people at all times.
- **Teamwork** – collaborates effectively, develops talent, values differences and builds effective teams to bring about best use of resources to deliver healthcare services.
- **Compassion** – is completely patient / client focussed, demonstrates self-awareness and the effects of behaviour on others, deals with or manages ambiguity and complexity, demonstrates resilience in the delivery of patient services or support in the delivery of services to patients.
- **High Performance** – cultivates innovation, is action oriented, drives results and supports Metro North's vision and purpose to exceed expectations of our patients and stakeholders.
- **Integrity** – demonstrates sound decision quality, ensures accountability, demonstrates courage in the face of adversity and works effectively / manages complexity to ensure work output and decisions are ethical and invariably of a high standard.

Mandatory qualifications/professional registration/other requirements

- Diploma Applied Science (Anaesthetics) or recognised equivalent.
- While not mandatory, voluntary registration with Australian Anaesthesia Allied Health Professionals (AAHP) would be highly regarded
- Certified copies of the required information must be provided to the appropriate supervisor/ manager, prior to the commencement of clinical duties.

How to apply

Please provide the following information to the panel to assess your suitability:

1. **A short statement (maximum 2 pages)** on how your experience, abilities, knowledge and personal qualities would enable you to achieve the key accountabilities and meet the technical and behavioural capabilities of the role.
2. **Your current CV or resume, including referees.** You must seek approval prior to nominating a person as a referee. Referees should have a thorough knowledge of your work performance and conduct, and it is preferable to include your current/immediate past supervisor. By providing the names and contact details of your referee/s you consent for these people to be contacted by the selection panel. If you do not wish for a referee to be contacted, please indicate this on your CV or resume.
3. Submit your application online at www.smartjobs.qld.gov.au by the closing date.
4. Please note that hand delivered applications will not be accepted.
5. Only those persons eligible to work in Australia may be employed by MNHHS. Prospective employees are required to provide proof of identity and documentary evidence of their right to work in Australia.
6. Late applications cannot be submitted online. For a late application to be considered, please arrange approval and submission via the contact officer.

Team Structure

Diversity and Inclusion

We are committed to providing a diverse and inclusive workplace for our people and our community. We encourage people of all genders, races, ages and abilities to apply for roles within our Health Service and strive to ensure that our workplace is free from all forms of discrimination and harassment.

As an Equal Employment Opportunity (EEO) employer we ensure that our selection processes and employment decisions are undertaken in a non-discriminatory way and are consistent with the requirements of the Anti-Discrimination Act 1991. If there are any reasons that you may have challenges with the recruitment process, please let us know when we contact you.

Work Health and Safety

We are committed to *Putting People First* to provide better healthcare. This commitment includes a dedicated *People Focussed Safety* culture.

This culture commits to the health, safety and wellbeing of staff, volunteers and other persons, through the provision of a dynamic and comprehensive Health and Safety Management System (HSMS). The HSMS provides for proactive safety initiatives, early injury management practices with a strong focus on a safe and durable return to work.

The provision of a Health and Safety environment within Metro North Hospital and Health Service is everyone's responsibility.

Safety and Quality

Relevant to the position, staff participate in the ongoing education, implementation, monitoring and evaluation of safety and quality initiatives relevant to The National Safety and Quality Health Services Standards 2nd Edition and the Australian Council on Healthcare Standards (ACHS).

Vaccine Preventable Diseases (VPD) Requirements

It is a condition of employment for this role for the employee to be, and remain, vaccinated against the following vaccine preventable diseases during their employment:

- Measles
- Mumps
- Rubella
- Varicella (chicken pox)
- Pertussis (whooping cough)
- Hepatitis B

Further vaccinations may be required due to particular risks for a role; examples include:

- Hepatitis A – Workers in regular contact with untreated sewerage
- Q Fever – Research or Laboratory staff regularly handling specimens

All new employees who will be working in clinical areas must be assessed for their risk of tuberculosis and screening undertaken if required.

Existing staff that are engaged prior to 1 July 2016 are **not subject** to this condition of employment unless they apply for a role with VPD requirements that is with a different Queensland Health entity (i.e. one HHS to another HHS, Department to a HHS, or HHS to Department).

Additional Information

- Applications will remain current for 12 months or for the duration of the vacancy.
- Future vacancies of a temporary, full time and part time nature may also be filled through this recruitment process.
- Health Care Workers in Queensland Health whose occupation poses a potential risk of exposure to blood or body fluids must be immunised against Hepatitis B according to the National Health and Medical Research Council Australian Immunisation Handbook and the Queensland Health Infection Control Guidelines.
- Pre-employment screening, including criminal history and discipline history checks, may be undertaken on persons recommended for employment. Roles providing health, counselling and support services mainly to children will require a Blue Card, unless otherwise exempt.
- Applicants may be required to disclose any pre-existing illness or injury which may impact on their ability to perform the role.
- Applicants will be required to give a statement of their employment as a lobbyist within one (1) month of taking up the appointment. Details are available at:
<http://www.psc.qld.gov.au/publications/assets/policies/lobbyist-disclosure-policy.pdf>
- Employees who are appointed to Queensland Health may be required to undertake a period of probation appropriate to the appointment. For further information, refer to Probation HR Policy B2
<https://www.health.qld.gov.au/system-governance/policies-standards/doh-policy/policy/qh-pol-197.pdf>
- All relevant health professionals, who in the course of their duties formulate a reasonable suspicion that a child or youth has been abused or neglected in their home/community environment, have a legislative and a duty of care obligation to immediately report such concerns to Child Safety Services, Department of Communities.

Executive Structure
