Hospital Profile

Hollywood Private Hospital is a modern, acute care hospital in Nedlands and enjoys a strong reputation for excellence in patient care. With 738 licensed beds, Hollywood Private Hospital is the State's largest private hospital based on bed numbers. The hospital employs over 2,000 people and has more than 700 accredited specialists working across a wide range of disciplines including cardiology, gastroenterology, general medicine, general surgery, neurosurgery, oncology, orthopaedics, palliative care, psychiatry, rehabilitation and urology.

In response to an increase in demand for Hollywood Private Hospital's services, owner Ramsay Health Care recently invested over \$70 million in major infrastructure developments at the hospital. The centrepiece of this development is a new wing which houses six additional state-of-the-art operating theatres, three new 30 bed wards and a new kitchen.
